Local Criminal Background Check

Your home study requires a current local criminal background check. It will be necessary for you to go to your local Police or Sheriff's Department and request a background check on anyone in your home over the age of eighteen. It may be wise to call your Police or Sheriff's Department first to see if there is a charge for this service. As well, we will also be gathering a state level criminal history check as well as an FBI criminal history check.

Should there be any reported criminal history, it will be necessary for you to obtain any and all reports as well as provide a written explanation as to the circumstance involving law enforcement.

Please sign below confirming you understand this is a requirement for the home study process. This background check needs to be completed on every person in the home over the age of 18.
